Don't miss this opportunity to take your dispatching skills to the next level!

"Each time I take this class I come out excited about what we can do. I learn new things every time and refresh what I learned the time before."

~ Tricia Berson; Vice President of Air Flo Heating

Service Dispatch University

August 23-25, 2018 in Seattle, WA

Overview:

This hands-on workshop will give dispatchers the tools to be successful at their job and take their dispatching skills to the next level.

Major Objectives:

- Develop and refine dispatching and scheduling techniques that improve labor management, enhance customer service, and drive revenue
- Improve customer service skills through the development of scripts and phone etiquette skills
- Understand and apply reporting that will track your service department's daily performance through BDR's 8 for 10 database (included)
- Strategies for managing maintenance agreements

Who Should Attend:

Owners, Dispatchers & Service Managers

Sign up today as space is limited.
