FIND, DEVELOP, AND KEEP THE EMPLOYEES YOU NEED TO BUILD A GREAT BUSINESS

Successfully Recruiting, Retaining, & Developing Great Employees teaches both required and recommended best practices for hiring and retaining employees in a tight labor market.

- Recruiting processes that will greatly increase the quality of employee you attract
- Selecting the right candidate
- Onboarding processes for integrating new employees into your company culture
- Creating career paths for your team members with a strong focus on the millennial generation

By attending this 2-day class, you will be able to identify key improvements in your current hiring and HR processes in order to attract and retain top talent.

This class will conclude with how to minimize turn-over and grow more long-term employees, making it possible for your company to reach its full potential.

This class was full of information that our company desperately needed. The hiring on of employees in the modern day is something that we have struggled with.
