“I am absolutely bursting with ideas for my company!! There are too many Wahoos to mention. I recommend this class for every Dispatcher and Service Manager.”

~ Adrienne Kranberg, Columbia NW Heating

Overview:

This hands-on workshop will give Dispatchers the tools to be successful at their job and take their dispatching skills to the next level.

Major Objectives:

- Develop and refine dispatching and scheduling techniques that improve labor management, enhance customer service, and drive revenue
- Improve customer service skills through the development of scripts and phone etiquette
- Understand and apply reporting that will track your service department's daily performance through BDR's 8 for 10 database (included)
- Strategies for managing Maintenance Agreements
